05:00 PM Sail away - Captain's discretion

Below is a link for a proposed 7 day sample itinerary the charter company publishes as a guide. Due to wind, weather, crowds, seal levels, and other factors, the destinations and sail times could change. If everyone is having a good time at a particular stop and wants to stay an extra day, we have that flexibility.

The only thing certain is that we will start and end the trip in Road Town.
